COSMETIC INSURANCE

AESTHETIC & COSMETIC APPLICATION FORM

Claims Made Basis

Our policies are written on a claims made basis. This means that in order for your policy cover to apply, all claims and any fact, situation, incident or circumstance that may result in a claim, must be reported to the insurers during the same policy period in which they first come to light. Retroactive, Extended Reporting Periods and Run Off Cover are available.

Material Facts & Material Changes

It is understood that you have provided complete and accurate information to Insurers and that you have complied with your legal duty to disclose, before inception of the insurance contract, all material matters relating to the risk (i.e. all information which would influence the judgement of a prudent Insurer in determining whether to underwrite the risk and if so, upon what terms and at what premium). If all such information has not been disclosed, Insurers have the right to avoid the contract from its commencement, which may lead to claims not being met. If you believe that you may not have complied with this duty or are unsure, you should contact us immediately.

Changes affecting either material facts or your business activities must be immediately notified to us. It is your responsibility to advise your insurers immediately of any changes, which may affect your insurance risks, and/or which vary the details provided on the original proposal forms/statement of facts/presentations. Failure to do so could invalidate your cover.

Training

Cover would be subject to the completion of the relevant training course for the relevant treatments you require cover for. Failure to do so could jeopardise your policy in the event of a claim.
