- **PROPERTY PORTAL**

'PLACE recommends properties for Users that meet their criteria and fall within their selected commute time zone depending on their mode of transport and centred on their work, university or college postcode. It can overlay the commutes of up to 6 household members simultaneously.

Agents can create a new instruction property in just a few minutes and then immediately message users looking for similar properties without having to wait for enquiries or maintain a contact book.

PLACE is about finding a PLACE for everyone, even if you don't have a smartphone. At PLACE we passionately believe in a 'Big Society', even in an urban jungle. Homelessness is a growing problem in our society and we feel we should play our part to support the good work of homeless charities tackling this issue. PLACE makes donations on your behalf to our two partner charities, The Booth Centre & Emmaus. Every time someone you have shared PLACE with downloads the App and uses it we donate a meal for a homeless person at the Booth Centre.

Contact: Dan Jaggard : dan@placepropertyapp.com

- **PROPERTY ADVERTISING**

The newest, easiest and quickest way to market properties online using your mobile phone.

Advertise newly instructed properties instantly onto leading property portals including Rightmove and Zoopla, upload straight onto your website, and promote across social media in just a few very simple and quick steps from your mobile device.
